

THE BODY TEMPLE

RELATED SCRIPTURE: Genesis 1:27, I Corinthians 6:19-20, Psalms 139:13-16
Proverbs 8:11,16:22, 19:8

PREPARATION: Bar of soap, toothbrush, picture of vegetables, some type of sport ball, pack of cigarettes, candy bar, book, Bible.

ACTIVITY: Have different campers take turns reading the amazing facts about the human body that are listed on the back.

APPLICATION: Man is created in Gods own image...it is a miracle...and a temple. God instructs us to use our bodies for His glory. So isn't it our responsibility to be disciplined in our healthcare and hygiene? Using the props, discuss choices we make every day that affect our health and hygiene. Have each camper hold up a prop and have the group decide together if it represents a good choice or bad choice in preserving our body temple.

CLOSING: Praise God in prayer for our amazing bodies and mind and all that it allows us in life.
